

June 7, 2010

Dear CIS Community:

I would like to take this opportunity to thank you, the parents, for your support over that past year. You have answered surveys, met directly with me, or written emails to communicate your advice to the school. We have listened carefully and continue to improve the school for your children.

Over the summer months major projects will be underway. We will relocate the two Grade 6 classrooms to the Elementary block and will have a new computer lab in the Elementary section. The school is building an indoor sports complex that should be finished early in the new academic year. Air Conditioning of key areas and a covered walkway from the secondary wing to the cafeteria will also be completed. Feedback from parents has directed these improvements.

New for next year on a trial basis: CIS branded notebooks, binders and stationery for the Secondary Students available for purchase at a subsidised price. Secondary students appear to lose notes more than anticipated. We will see if giving them CIS notebooks eases this concern.

For now I wish everyone a safe and happy break. We look forward to seeing you in August!

Yours in Education

Lynda Gigg
Head of School/Principal
