

What triggers Adolescent depression?

The School Community Association of CIS invites you to attend our next General Meeting with adult and child Psychiatrist Dr. Meena Gnanashekaran from Columbia Asia Medical Centre

Recognizing the Signs

We will also be privileged again to hear from our school counselor Reena John on the outcome of the Student and Parent anti-bullying survey.

Place: Secondary Library

Date: Thursday, November 19, 2009

Time: 2:30 Sharp (please be on time)

Recognizing the time Dr. Meena is taking from her practice to visit CIS; we ask that you **RSVP your attendance by Tuesday, November 17, 2009.**

One's environment plays a large role in stress and depression during adolescence and in very young children. **Support your School Community Association**, attend our **General Meeting**, and be informed.
