SAFETY CONCERN and SOLUTION

Dear Parents and Guardians:

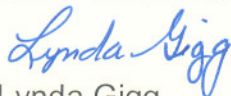

Our morning drop off and evening pick up of students at the front of the school has raised a significant number of concern regarding the safety of children and adults. Students, drivers and parents are walking across the line up of cars, some cars waiting and some cars moving. The congestion is not safe for anyone. We feel that it is only a matter of time before someone gets injured. To prevent this we request the following procedures be followed:

- ✓ All boarding of passengers occurs at the steps of the school;
- ✓ All drivers remain in their cars and continue to drive around until their passengers are ready;
- ✓ All passengers must not cross the traffic to get to their cars;
- ✓ All passengers wait at the top of the stairs until they spot their car;
- ✓ Passengers use the stairs to go to the waiting car;
- ✓ Passengers promptly climb into their car and depart;
- ✓ Children are not to play on the hill, as they may lose footing and roll under a moving car;

Your cooperation with this request is sincerely appreciated. The safety of everyone is everyone's responsibility.

Thank you

Yours in Education

Lynda Gigg
K-12 Principal
