

Staff Appreciation Luncheon

May 7, 2010

Traditionally, at the end of each school year, the School Community Association along with the Canadian International School Families, host a Staff Appreciation Luncheon. We also acknowledge our domestic staff, gardeners and bus drivers with a gift presented by the SCA.

This year's luncheon will be held on May 7, 2010, beginning at 11:45, it will be held in the secondary library. We are looking for a variety of dishes coming from all the countries that represent the school. This can either be a main dish, a favorite casserole or pasta, vegetable dish, salad or a dessert. It will be served as a smorgasbord buffet. We are asking for both Veg and Non-Veg items.

We are also looking for parent volunteers to help on the day, both at the lunch, and also to chaperone in classes and playgrounds, so our teachers can enjoy an extended lunch time.

Chompoo Skrikosai is our food coordinator. Please email her and let her know what dish you would like to contribute. There may be times; she will ask if you could contribute a different dish, if that item has already been donated.

Email: chompoo620@yahoo.com – please write staff luncheon in the subject.

If you are available to volunteer in the classroom or at lunch, please contact me at Reay82@gmail.com – also subject line, 'staff luncheon'.

A variety of fresh flowers will be on sale at school that morning. We are encouraging each child to purchase a flower for their teacher. By doing so, their teacher or a staff member will end up with a beautiful bouquet. This is a non-profit event, just lots and lots of thoughtfulness.

As always, the SCA sincerely appreciates the Canadian International School Community, only working together can we make our school community stronger.

Warmest regards,

Vickie Reay
Chair
