Dear Parents,

The Physical Education Department would like to invite you to the 3rd Annual Elementary Inter-House Sports Day on the 23rd October, 2009 from 9:00am to 11:30am.

All students in Grade 1 to 6 will take part in various track, field and fun events.

Events have been arranged so that all students will represent and accumulate points for their respective houses.

We would like to finish off with an activity for parents, so do wear your "fastest" running shoes.

Please return the tear off slip attached to this letter no later than the 15th of October 2009 so that we can make necessary arrangements.

Refreshments will be arranged for parents and students. We hope to see everyone out.

Appeal for assistance from parents
We need parents to assist us on the day. If you are available during this time please indicate this on the return slip below.

Yours sincerely
